Patient E-mail and Test Messaging Registration Form

We have the ability to provide our patients with certain types of information via email or text messaging. If you would like to receive this feature in the future, please read the consent below and sign.

Consent to email and or text message for appointment reminders and other healthcare communications: Patients in our practice may be contacted via email or text messaging to remind you of an appointment, to obtain feedback on your experience with our healthcare team, and provide general health reminders/information.

I can send to receiving appointment reminders and other healthcare communications/information at that email and or text from DMV Allergy and asthma center.

Patient initials to receive text messages from the cell phone and any number forwarded or transferred to that number.
